

## Curriculum Vitae

**Maureen Musto, MS, RN, APRN-CNS, ACNS-BC, CRRN, FARN**

### CONTACT INFORMATION

467 Stream Water Drive  
Blacklick, OH 43004  
(Cell) 614-980-1927  
(Work) 614-293-3512  
(E-mail) musto.13@osu.edu

### CERTIFICATION:

Certified Rehabilitation Registered Nurse (CRRN): 1996-Present  
Adult CNS Advance Practice (ACNS) - Board Certified, 2007-present

### AREAS OF SPECIALIZATION:

- Advanced care clinical management of complex rehabilitation patients, including but not limited to Brain Injury, Stroke, Spinal Cord Injury, Oncology, and Debility due to various conditions (Transplant, LVAD, Post-COVID, Amputation, etc.)
- Program management for development, implementation and evaluation of clinical skills and competency for all rehabilitation nursing staff, based on ARN Competency Model
- Clinical program excellence: functional outcomes, quality of life, restorative, and rehabilitation care
- Translation of evidence into clinical practice and policy
- Oversight of interdisciplinary care coordination for specialty rehabilitation populations across the continuum of care, with special focus on fall and injury prevention practices, throughout the system
- System wound care specialist and Chair of system Clinical Wound Care Practice Group to integrate, evaluate and improve current wound care guidelines, practices, documentation, and outcomes

<u>University</u>	<u>Location</u>	<u>College</u>	<u>Degree</u>	<u>Dates</u>
Ohio State University	Columbus, OH	College of Nursing	MS	2006
Ohio State University	Columbus, OH	College of Nursing	BSN	1994

### PROFESSIONAL EXPERIENCE:

**Rehabilitation Clinical Nurse Specialist.** The Ohio State University Wexner Medical Center, Dodd Rehabilitation Hospital, 2008-Present.  
Develop Comprehensive Rehabilitation Programs (including In-patient, Patient and Specialty Rehabilitation Programs) for the comprehensive CARF

accredited Dodd Rehabilitation Hospital. Implement program evaluation systems, including eRehab, Uniform Data System for Medical Rehabilitation (UDSMR), NDNQI, EQUADR, and Vizient.

CARF Certification in the following:

1984 – General Rehabilitation Program & Spinal Cord System of Care

1987 – 1<sup>st</sup> in Ohio – Brain Injury Specialty Program

2008 – 1<sup>st</sup> in Ohio and 3<sup>rd</sup> in the country - Inpatient Stroke Program

2015 – 1<sup>st</sup> in Ohio, 2<sup>nd</sup> in the nation, 3<sup>rd</sup> in the world – Inpatient Cancer

Develop, implement, and refine primary nursing systems, interdisciplinary screening and referral systems, UDSMR national training and utilization programs, evidence-based practice projects in rehabilitation, and advanced nursing credentialing systems. Responsible for quality improvement and program evaluation in collaboration with administration, quality, and patient safety departments.

Serve as expert advanced practice consultant for advanced practice collaboration for peers and other interdisciplinary team members in area of expertise and clinical practice guidelines development, implementation, and evaluation: Brain Injury Specialty, Cancer, Spinal Cord Specialty, and Stroke.

Serve as System-level Mentor for evidence-based practice, having attended the Helene Fuld Health Trust National Institute for Evidence-based Practice in Nursing and Healthcare weeklong immersion course.

Coordinate clinical placement for undergraduate nursing students from multiple colleges of nursing at Dodd Rehabilitation Hospital (The OSU College of Nursing, Capital University, Ohio University, Columbus State Community College, Mount Carmel Nursing School, Otterbein University).

Serve as a senior preceptor for Clinical Nurse Leader and Clinical Nurse Specialists for Capital University and OSU College of Nursing, and as a contributor for reaccreditation for programs.

**Research Co-Investigator.** Chipps, E., Gatens, C., Genter, L., **Musto, M.**, Dubis-Bohn, A., Gliemmo, M., ... & Landers, T. (2014). Pilot study of an oral care protocol on poststroke survivors. *Rehabilitation Nursing*, 39(6), 294-304. [Rehabilitation Nursing Foundation \$600]

Other responsibilities:

Staff development and orientation; cross-training

Programs for rehabilitation; program evaluation and quality improvement:

Chair, Rehabilitation Quality Improvement

Chair, Rehabilitation Fall Prevention Task Force

Rehabilitation Strategic Planning Board: Advanced Leadership

**Clinical Assistant Nurse Manager.** The Ohio State University Wexner Medical Center, Dodd Rehabilitation Hospital, 2007-2008.

Responsible for educational programming on rehabilitation nursing practice and quality patient care for patients with spinal cord injury, traumatic brain injury, stroke, orthopedic injury, and other neurological deficits. Consultant to primary nurses and rehabilitation interdisciplinary team members in Dodd Rehabilitation 60-bed facility and throughout OSUWMC, for clinical rehabilitation problems and program development. Independent consultation for patients with bladder, bowel, skin care and behavioral issues; Manager for quality data collection for patient care unit; Oversight and coordination of all nursing orientation; Professional development and clinical advancement for nursing staff related to knowledge, skills, competencies and attitudes.

**Staff Nurse/Charge Nurse.** Ohio State University Wexner Medical Center, Dodd Rehabilitation Hospital, 1995-2007.

Primary care management and coordination of nursing and interdisciplinary direct care for brain injury, spinal cord injury, and general rehabilitation patients. Coordinated direct care with physicians, therapists, patients, and families. Provided education to families of patients with brain injury and spinal cord injury, in weekly classes and one-to-one at the bedside. Managed unit activities including delegation of duties and assurance of adequate staffing levels with awareness of cost efficiency. Served as preceptor for Registered Nurses, Licensed Practical Nurses, Student Nurses, and ancillary staff.

**Staff Nurse.** Genesis Health Care System. Good Samaritan. Zanesville, OH. 1994.  
Provided and coordinated patient care for general rehabilitation patients.

**SELECTED HONORS AND AWARDS**

2022: Preceptor Achievement Award for time and dedication to the Clinical Nurse Leader/Clinical Nurse Specialist Program, OSU College of Nursing

**2021: Fellowship in the Association of Rehabilitation Nurses**

2021: Distinguished Alumni Award, OSU College of Nursing

2021: APP Champion Award, OSUWMC

2021: Commendation from Dr. Alarcos Cieza, MSc, MPH, PhD, Unit Head, and Dr. Alexandra Rauch, MPH, PhD, Project Lead, Rehabilitation Programme, the World Health Organization (WHO), for membership and contributions to Development Group for Traumatic Brain Injury (TBI) that produced the WHO

- Package of Interventions for Rehabilitation, which will now move into the validation phase prior to global deployment.
- 2020-2022: Appointed by the Association of Rehabilitation Nurses' Board of Directors to serve as the only advanced practice rehabilitation clinical nurse specialist, certified in rehabilitation nursing, to the World Health Organizations' WHO's Package of Interventions for Rehabilitation of Patients with Traumatic Brain Injury.
- 2020-2021: Appointed by the Association of Rehabilitation Nurses' Board of Directors to serve as a specialized advanced practice rehabilitation clinical nurse specialist, certified in rehabilitation nursing, Nurse Reviewer for the WHO's Rehabilitation Competency Framework.
- 2019 **Association of Rehabilitation National Role Award: Advance Practice Nurse Role Award, Association of Rehabilitation Nursing**
- 2019 Special Recognition, Inaugural Rehabilitation Nursing Certification Board Advocacy Award for Certification: The Ohio State University Wexner Medical Center, Dodd Rehabilitation Hospital, Units 3 and 4
- 2009 Recipient of Team Award of "OSUMC's Excellence in Patient Health Education Award" for Dodd Interdisciplinary Diabetes Education Team
- 2004 Recipient of the Mid-Ohio District Nurses Association Academic Scholarship
- 2003 Recipient of OSUMC's Lucy Schneiter Nursing Scholarship
- 2002 Recipient of "OSUMC's Excellence in Patient Health Education Interdisciplinary Team Award"
- 2001 Recipient of "OSUMC's Excellence in Patient Health Education Award"

### **Clinical Practice Guidelines:**

#### **Acute Management of Autonomic Dysreflexia (AD) (11/18/2019)**

The guideline will aid clinicians in the recognition, diagnosis and management of acute autonomic dysreflexia in patients with T6 or above spinal cord injury (SCI).

#### **Paroxysmal Sympathetic Hyperactivity (PSH) (7/10/2020)**

This guideline assists clinicians in the recognition, diagnosis, and management of Paroxysmal Sympathetic Hyperactivity (PSH), a disorder in the regulation of autonomic function in patients with lower neurological functioning, usually in acquired brain injury.

**MENTORING**

Name and Discipline	Level of Preparation	Years	Current Position	Markers of Success
Toni Grice RN, CRRN	ADN	2008	At time Toni was a staff RN, now a case manager; Lisa is a staff OT.	Presented a poster at 2008 conference in San Francisco – their first national presentation; they have done many more since. Toni has presented a case study on transgender care 2012 REACH and is president of COARN.
Lisa Sewell, OTR/L	Staff OT			

Name and Discipline	Level of Preparation	Years	Current Position	Markers of Success
Dominic Mehling, RN and Jessica Ruppel, RN	BSN	2010	At time of project both new graduates with BSN. Both are NPs; Dominic is with PMR department spasticity clinic and consults; Jessica is an oncology NP.	Residency project. Completed an EBP project role of rehabilitation with oncology patients; presented at The OSU poster fair; Dominic presented a poster at an Advance Practice conference on spasticity in Columbus, in 2020.
Nicole Benameur, RN, BS, RD; Cecilia Clarke, RN, BA; Leonard Hughes, RN, BS	BS	2012	Nicole and Cecilia are now NPs; Leonard is a staff nurse.	2012 ARN REACH EBP Presentation; Nicole and Cecilia attained advance degrees; Leonard has advanced to clinical ladder 4, presented a case study at 2019 REACH Conference in Columbus and has served on COARN board of directors and is currently COARN Secretary.
Laura Romig-Ellis BSN, RN, CRRN; Nicole Benameur, AD, RN, RD, CRRN	BS	2014	Laura works in Apheresis- still certified as a CRRN and is a clinical ladder 4; Nicole is an NP.	EBP project: Multidisciplinary evaluation of fall risk in the rehabilitation population – poster at 2014 conference.
Shane Baker, BSN, RN, CRRN; Leslie Bean, BSN, RN, CRRN	BSN	2015	Shane was dayshift and Leslie evening shift staff RN at time of project; Now Shane is still primary RN on SCI team, clinical ladder 4; Leslie is working in the ED as a staff nurse.	They did an EBP project on cardiovascular disease; they presented their project as a poster at 2015 ASCIP Educational Conference; wrote this up as an article for ARN Network in 2016; they developed a class on SCI and cardiovascular disease, 2017 ARN REACH presentation; 2017 COARN conference.
Katie Black BSN, RN, CRRN; Jeanne	BSN	2015	Katie is now an NP; Jeanne is a	2015 ARN REACH poster presentation

Name and Discipline	Level of Preparation	Years	Current Position	Markers of Success
Hornback BSN, RN			staff nurse who just attained clinical ladder 3 and she now has her CRRN.	
Toni Callahan BSN, RN, CRRN, UZIT and Jennifer Brant BSN, RN, CRRN, UZIT	BSN	2016	Toni and Jennifer were certified in urban zen and began incorporating it in rehabilitation. I mentored them in presenting their program. Toni is working as a staff nurse. Jennifer is a nurse manager of a SNF.	2016 REACH conference poster presentation, won people's choice award; Toni wrote an article for ARN network 2017.
Toni Callahan BSN, RN, CRRN, UZIT and Amy Loechler, BSN, RN	BSN	2017	Staff nurses; Amy also has received a certificate in education and is a clinical instructor, she has attained her clinical ladder 3 and is in a CNL program.	2017 REACH – first time podium presentation for either of them; Case study of a hospice patient.
Nicole Hummel, BSN, RN; Liliana Thome BSN, RN	BSN	2017	Nicole moved to California where I linked her with Stephanie Vaughn – she found a rehabilitation position and she contacted me about certification, I gave study materials for CRRN exam, and she was	Residency EBP projects as new graduates on chest pain in rehabilitation patients; presented at 2017 REACH conference and 2019 COARN conference; both attained CRRN.

Name and Discipline	Level of Preparation	Years	Current Position	Markers of Success
			certified. Liliana is now certified and has taken the assistant nurse manager role at Dodd Rehabilitation.	
Michelle Graf, PT	MS	2018	Development of a poster for Amputee Care.	Incorporated into education of new PT's.
Marissa Logsdon, RN	BSN	2019	CNL student; EBP project on CVA and bladder management; currently has her masters and CNL; working as assistant nurse manager at Dodd rehabilitation and attained her CRRN this past year.	Presented poster at ARN 2019 REACH conference; she currently has a draft publication to submit to the Rehabilitation Nursing Journal.
